INFLUENCER MARKETING EXPERIENCE

Guangzhou Shenyi Information Technology Co., Ltd. (BloomChic) May 2026 - Aug 2026
Influencer Marketing Intern Guangzhou, China

- **Creator sourcing & segmentation:** sourced **2,000+ creators** for US and European markets across Instagram, TikTok, YouTube and Meta Creator Marketplace; qualified and tiered **1,000+ prospects** by audience, content quality and brand fit.
- **End-to-end partnership management:** independently advanced **10+ creator partnerships** and coordinated the launch of **20+ content assets**, covering English outreach, requirement alignment, rate negotiation, product selection, seeding, asset collection and publishing follow-up.
- **Content strategy & briefing:** translated product USPs, audience pain points and use cases into creator-specific product selections and briefs; reviewed drafts and coordinated revisions to improve message-market fit.
- **Performance analysis:** evaluated GMV, ROI, CTR, CVR and AOV; generated **US$6,000+ in GMV**, with typical asset ROI of **1.0-2.0+** and a top asset reaching **US$672 GMV, 2.69 ROI and US$112.05 AOV**.
- **Pipeline optimization:** rebuilt English outreach copy and partnership materials for high-reach creators; follow-up outreach increased the response rate among priority creators from approximately **10% to 40%+**.
- **Competitor intelligence:** tracked US and European consumer feedback and benchmarked creator profiles, hero products and content formats to inform creator selection, product choices and content planning.

PROJECT EXPERIENCE

Interactive Web Experience & Content Campaign Oct 2026
Independent Project

- **Product & content execution:** used vibe coding to independently design the interactive mechanics, visual system, user experience and copy, then deployed the finished project through GitHub.
- **Growth & analytics:** generated **37,000 Threads views, 21,000 users reached and 1,373 engagements** on day one; recorded **7,100+ site visits within 24 hours** and a peak of **1,000+ visits in one hour**; implemented Google Analytics and GoatCounter and completed cross-device testing.

LEADERSHIP EXPERIENCE

Graduate Student Union, Changchun University of Technology Oct 2025 - Oct 2026
Head, Academic Affairs Department Changchun, China

- **Leadership:** planned and delivered **5 university-wide events**, coordinating staffing, promotion and on-site execution; the largest event attracted **200+ participants**.
